THE WORLD’S MOST HIGHLY PRIZED RUM

CASA BACARDÍ, a permanent visitor center and private hire space located in Sitges, 45 minutes from Barcelona city, the perfect place for holding unforgettable events in an elegant and cutting-edge setting. Discover CASA BACARDÍ in the historical quarter of the pretty Mediterranean seaside town of Sitges, the birthplace of Don Facundo Bacardí Massó, the founder of the world’s most highly prized rum BACARDÍ.
OUR BRAND HOME EXPERIENCE

CASA BACARDÍ is situated in the iconic modernist Mercat Vell, built in 1890 by the architect Gaietà Buigas. Visitors can take a guided tour through its various rooms, immerse themselves in the history of both Sitges and the Bacardi family, discover the evolution of the brand and learn about the rum-production process as we know it. To complete the visit, guests join a cocktail workshop with our professional mixologists including the original BACARDÍ Mojito and Cuba Libre. Guests can then make their own cocktails and enjoy them in the lounge bar or on our terrace.

Guided tours are available in English, Spanish and Catalan – translators are welcome.
